Special Conditions

Special Conditions
1 point is added for each registered player over 15 registered players up to 20 registered players where the total points applicable is 43.
If a team has less than 15 registered players, points are reduced by 1 point for each player less than 15.
New Zealand nationals who reside in Australia are now permitted to play in the QBL and their points rating will be determined upon their age and Basketball experience. Eg: If they last played in a Div 1 restricted foreign league (Male ONLY) they carry the applicable points rating of 10, however, if they are under 24 years old as at 31 December 2017 and have never played in a restricted foreign league they would be a 1 point player.
Special Dispensations
Player Points are reduced by 50% if the player has played Under 18 Representative Basketball with the QBL association they are registering with. (Note: associations have the ability to apply for an exemption should a player have departed the program after U16 representative level to take up a scholarship or attend a boarding school. This exemption also applies if your association could not field an U18 team at a specific state championship).
Player Points are reduced by 50% if the player has played QBL for the association they are registering with for 100 games (not including games in which they suited up and did not play). This points reduction does not apply to players who are classified as Restricted under the QBL rules.
Loyalty rules for restricted players and Foreign Players – If a restricted or foreign player has competed for 100 games or eight consecutive seasons with a QBL club they would be deemed unrestricted as a part of this loyalty clause. This rule only extends to one player per team and this player will not receive a player points discount on their points rating unless they were a player that played Under 18's for the association.

Applications for Points Dispensation and Appeals

Detailed below is the manner in which the points dispensation and appeals will be managed:

1. If a QBL Club wishes to apply for a dispensation for players that have departed their association after playing Under 16 representative basketball for the association in order to attend a boarding school or take up a scholarship need, to write to the League Manager seeking the dispensation and provide written evidence to substantiate the request and determine eligibility.
2. Once team nominations are received for the 2017 QBL season, each team's points are allocated for each player (based on the preliminary work done) and the total points for each player and the team are provided to the QBL Club.
3. QBL Clubs have 14 days to appeal the points allocated by providing a written submission detailing why the points should be adjusted;
4. The League Manager can then assess the appeal and, if an obvious error or omission has been made, the League Manager can make an immediate correction.
5. If an appeal sits outside the scope of the QBL points system rules to which the League Manager is bound; and the intention and purpose of the points system is proven to have adversely effected a player by not upholding the core purpose of the QBL, the matter would then be referred to the independent tribunal for a decision (which would be final). The League Manager will be in attendance at any meeting of the tribunal; however, the League Manager may not vote or take part in the meeting except to provide information to the tribunal; and
6. The QBL Club must be advised of the decision by the Tribunal within 48 hours of it being made.
7. The League will notify all club delegates of the outcome of an appeal and will attach any information submitted by the Club by way of transparency.

Injury Replacements

When a player is placed on injury waiver and is, therefore, unable to play for their registered QBL Club either for a three-game period or more, the association may contract a replacement player and may use all points available to them i.e. the points value of the injured player and any other available points.

- (e) In the event that the total points scored and conceded are the same in the games between the two teams, the classification will be determined by POINTS PERCENTAGE (i.e. $\text{Points For} \div \text{Points Against} \times 100$) taking into account the results of all the games played in the League by both teams.
- (f) If more than two teams are equal in the placing **at the end of the regular season**, a second classification will be established taking into account only the results of the games between the teams that are tied.

- (h) If there are still teams tied, the placing will be determined using POINTS PERCENTAGE (i.e. $\text{Points For} \div \text{Points Against} \times 100$) from the results of all games played.
- (i) If at any stage, using the above criteria, a multiple team tie is reduced to a tie involving only two teams, the procedures in Part (a) and (b) will automatically be applied.

Note: A breach of rule 11.6(a) is a Fine Offence. See rule 16.

- (b) The League Manager will administer petrol claims for travel by referees. - (j) For SF1, SF2 and GF, the mode of transport for the Visiting Team will be determined by BQ in consultation with the Visiting Association, based on the mode of transport used by the Visiting Team for the corresponding Regular Season Game. If air travel is to be used, BQ will book and pay for the flights (for a maximum of 13 persons). The Visiting Association must book and pay for accommodation and ground transport. - (c) If an Association does not want to use all of the admission tickets offered listed in paragraph (b)(ii) , it must notify the Home Association by 5pm on the Wednesday prior to the game so that the Home Association may reallocate the tickets to other people or for general sale. 15.11 Procedures common to charges dealt with by telephone hearing or formal hearing

- (a) This rule applies regardless of whether the QBL Tribunal decides that a charge will be dealt with by way of a telephone hearing or a formal hearing.
- (b) If the Respondent is at the hearing, the QBL Tribunal must (at the commencement of the hearing and before receiving any evidence at the hearing) read the charge and ask the Respondent whether the Respondent pleads guilty or not guilty to the charge. If the Respondent:
 - (i) does neither – then the Respondent is taken to have pleaded not guilty; or
 - (ii) pleads guilty – then the QBL Tribunal must find the Respondent guilty of the Tribunal Offence with which he or she was charged and restrict the subject matter of the hearing to matters of penalty.
- (c) If the Respondent's Representative (but not the Respondent) is at the hearing, the hearing is to proceed on the basis that the Respondent has pleaded not guilty, unless the Respondent has pleaded guilty in writing under paragraph (d).
- (d) The Respondent may, by writing to the QBL Tribunal before the time for the hearing, plead guilty or not guilty in writing. Such a plea has the same effect as if it was entered verbally at the hearing under paragraph (b) unless the Respondent is at the hearing and then enters a different plea.
- (e) Otherwise, the Respondent cannot change his or her plea after it has been entered unless the QBL Tribunal, in its discretion, grants leave for the Respondent to do so, at his or her request, for special reasons.
- (f) If the charge arises from a report lodged under rule 15.4 by a referee who officiated in the Game and the referee is at the hearing, the QBL Tribunal (at the commencement of the hearing, after the Respondent's plea has been entered but before receiving any other evidence at the hearing):
 - (i) must read out the report in the presence of the referee; and
 - (ii) must invite the referee to give any further relevant evidence; and
 - (iii) if the Respondent or the Respondent's Representative is at the hearing, must give them a reasonable opportunity to question the referee; and
 - (iv) may ask questions of the referee.

- (g) The QBL Tribunal:
- (i) may adjourn a hearing from time to time and from place to place; and
 - (ii) may allow or request witnesses to give evidence by telephone; and
 - (iii) must give the Respondent or the Respondent's Representative a reasonable opportunity to question any witnesses giving evidence at the formal hearing; and
 - (iv) is not bound by the rules of evidence; and
 - (v) may disallow any question or content which the QBL Tribunal considers is irrelevant, vexatious or improper; and
 - (vi) may ask questions of the Respondent or the Respondent's Representative and of witnesses; and
 - (vii) may decide who is allowed to be present during the hearing or any part of it; and
 - (viii) may suspend a hearing for an interval (for example, to allow the QBL Tribunal Member to retire to consider a decision).
 - (ix) except as otherwise provided in these rules, may conduct the hearing as the QBL Tribunal sees fit.

15.12 Decision on whether a charge is made out

- (a) This rule applies:
- (i) regardless of whether a charge is dealt with by way of a telephone hearing or a formal hearing; and
 - (ii) only if the Respondent has not pleaded guilty to the charge.
- (b) At the conclusion of the information-gathering phase (see rules 15.9(f) and 15.10(j)), the QBL Tribunal must consider and decide either:
- (i) that the Respondent committed the Tribunal Offence with which he or she was charged;
or
 - (ii) that the Respondent did not commit the Tribunal Offence with which he or she was charged, but that the Respondent did commit a Lesser Offence (by the behaviour which

is the subject of the charge); or

(iii) that the Respondent did not commit the Tribunal Offence with which he or she was charged.

(c) The QBL Tribunal must announce the decision at the hearing.

15.13 Decision on penalty

(a) This rule applies regardless of whether a charge is dealt with by way of a telephone hearing or a formal hearing, but only if the Respondent:

(i) pleads guilty to the charge (in which case the charged Tribunal Offence is an **Established Offence**); or

(ii) is found by the QBL Tribunal to have committed a Tribunal Offence (including a Lesser Offence) or more than one of them (each an **Established Offence**).

(b) If the Respondent or the Respondent's Representative is at the hearing, the QBL Tribunal must give that person a reasonable opportunity to make submissions about the appropriate penalty for the Established Offence or Established Offences.

(c) The QBL Tribunal must then consider and decide on the penalty to be imposed on the Respondent in respect of the Established Offence or Established Offences.

(d) The penalty imposed in respect of an Established Offence cannot exceed the maximum penalty specified in rule 15.2 for the Tribunal Offence which is the Established Offence. If rule 15.2 specifies two or more types of penalty (for example, a suspension and a fine), the penalty imposed can be one or a combination of any two or more of those types of penalty, not exceeding the maximum for each type of penalty specified in rule 15.2 for the Tribunal Offence which is the Established Offence.

(e) If:

(i) there are two or more Established Offences; or

(ii) a QBL Tribunal has previously imposed a penalty in respect of another Established Offence arising out of the same behaviour by the Respondent,

then the QBL Tribunal may (subject to paragraph 15.13(h)(ii)) impose a single penalty based on the maximum penalty for any one of the Established Offences (and in the case covered by paragraph (ii), giving credit for the penalty previously imposed by a QBL Tribunal) or it may

separately apply a penalty for each of the Established Offences.

- (f) If:
 - (i) the penalty imposed for two or more Established Offences is or includes a period of suspension in each case; or
 - (ii) the Respondent is already serving a period of suspension imposed under these rules,then the QBL Tribunal may (subject to paragraph 15.13(h)(ii)) order that the suspensions be served concurrently or cumulatively or partly concurrently and partly cumulatively. The tribunal may also choose to suspend a sentence for a period of time at their discretion.
- (g) The QBL Tribunal may take into account the Respondent's disciplinary record when imposing a penalty. It may, for example:
 - (i) treat the fact that the Established Offence is the Respondent's first offence as a factor in mitigation of penalty; or
 - (ii) treat the fact that the Established Offence is not the Respondent's first offence as a factor justifying the imposition of a greater penalty.
- (h) If the Established Offence is "Coaching, refereeing, playing or performing scorebench duties while under suspension":
 - (i) the penalty imposed must be or include a suspension of at least 1 week; and
 - (ii) the QBL Tribunal cannot order that the suspension be served concurrently.
- (i) If the penalty is or includes a period of suspension, then unless the QBL Tribunal orders otherwise, the period of suspension begins on the next day after the date of the hearing.
- (j) The QBL Tribunal must announce the penalty at the hearing.

15.14 Notification and application of penalty

- (a) This rule applies if a QBL Tribunal decides to impose a penalty.
- (b) The QBL Tribunal must notify the League Manager of the QBL Tribunal's decision. The League Manager must then notify the QBL Tribunal's decision to:
 - (i) the Respondent; and

- (ii) the Respondent's Association.
- (c) The League Manager and BQ may notify the QBL Tribunal's decision to any other person and may publish details of the QBL Tribunal's decision in any manner they think fit (for example, on BQ's or the QBL's website).
- (d) If the penalty is or includes a period of suspension and the Respondent is a Registered Player or a Registered Coach/Manager, then for the purposes of these rules the Respondent is taken not to be a Registered Player or a Registered Coach/Manager for the period of the suspension. (See also rules 4.1(b)(v) and 5.1(b)(x).)
- (e) If the penalty is or includes a period of suspension for a Season or a number of Seasons, then the following table details when the period of suspension ends, based on when it began. In the table, the "concluding Season" is the next Season corresponding to the number of Seasons in the period of suspension. For example, if the suspension is for one Season, the "concluding Season" is the next Season. If the suspension is for two Seasons, the "concluding Season" is the Season after the next one, and so on.

<i>If the period of suspension begins ...</i>	<i>... then the period of suspension ends ...</i>
during a Season, on a day before the first Finals Game of that Season has been played	at the completion of the last Regular Season Game during the round of the QBL in the concluding Season that corresponds to the last round of the QBL which was fully completed before the period of suspension began
during a Season, from and including the day of the first Finals Game of that Season up to and including the day of the last Finals Game of that Season	at the completion of the corresponding Finals Game of the concluding Season
during an Off-Season	at the completion of the last Finals Game of the concluding Season

- (f) If the penalty is or includes a period of suspension for a number of Games, then:
 - (i) if the Respondent is a person under the control of a Participating Association (see rule 3.7) in or associated with its men's team or both its men's team and its women's team, then the number of Games is reckoned by reference to that men's team's Games (and may be in more than one Season); or

- (ii) if the Respondent is a person under the control of a Participating Association (see rule 3.7) and paragraph (i) does not apply, then the number of Games is reckoned by reference to that women's team's Games (and may be in more than one Season); or
 - (iii) in any other case, the number of Games is reckoned by reference to the Games (which may be in more than one Season) of the men's team of the Participating Association that last won the QBL.
- (g) If the penalty is or includes a period of suspension for a period of time, it is reckoned by the calendar.
- (h) If the penalty is or includes a fine, rules 0, 16.1(c) and 16.1(d) apply.

15.15 Appeals

- (b) This is the case even if:
- (i) rule 15 is subsequently amended; or
 - (ii) these rules are subsequently otherwise rescinded or otherwise cease to have effect; or
 - (iii) a Season subsequently comes to an end.

16 Fines

16.1 Fine Offences

- (a) This rule creates the **Fine Offences** listed in the "Fine Offences" column of the table below. If a person listed in the "Person" column corresponding to a Fine Offence commits a Fine Offence, then the fine in the "Fine" column can be imposed and levied on that person.

- (b) If a person commits a Fine Offence is under the control of a Participating Association or was under the control of a Participating Association when the person did so (see rule 3.7), then the Participating Association also commits a **Fine Offence**. The fine that can be imposed and levied on the Participating Association is the same fine as if the Participating Association had itself committed the Fine Offence that was committed by the person who is or was under the control of the Participating Association.
- (c) If the League Manager imposes a fine on a person, the fine is levied on the person when BQ issues an invoice to the person for the amount of the fine.
- (d) If a fine is levied on a person, the person must pay the fine within 14 days.
- (e) The imposition, levying or payment of a fine does not prevent any other action being taken against a person for breaching these rules.
- (f) A person may make a complaint to the League Manager that another person has committed a Fine Offence, but has no right to question or review the League Manager's decision not to impose a fine, to impose a fine or about the amount of any fine imposed.

17 Game Disputes

17.1 Game Disputes

- (a) A Participating Association has a **Game Dispute** if the Participating Association:
 - (i) claims that a Game was not conducted in accordance with these rules in a way that prejudiced a team fielded in the Game by that Participating Association; or
 - (ii) claims that a team fielded in the Game by that Participating Association was prejudiced by a non-compliance with these rules; or
 - (iii) claims that a team fielded in the QBL competition in which the Game was conducted is prejudiced by the Game not having been conducted in accordance with these rules; or
 - (iv) claims that a team fielded in the QBL competition in which the Game was conducted is prejudiced by a non-compliance with these rules.
- (b) If a Participating Association that has a Game Dispute wants the League Manager to consider the Game Dispute, the Participating Association must:
 - (i) if the Participating Association fielded a team in the Game, ensure that the captain of the team informs the referee that the team has a Game Dispute (whether or not in those words, and without any need to say why the team has a Game Dispute) and signs the scoresheet for the Game in the space provided for the captain's signature in the case of

- a Game Dispute (whether or not those words are used, for example the word "protest" or another similar word may be used); and
- (ii) notify the League Manager **within 24 hours after the game finished**; and
 - (iii) within the same time, notify the other Participating Association that fielded a team in the Game to which the Game Dispute relates that the first-mentioned Participating Association has notified the League Manager that it wants the League Manager to consider a Game Dispute; and
 - (iv) lodge a full written report with the League Manager **within 24 hours** after the Game finished, outlining the subject matter of the Game Dispute and what outcome is sought by the Participating Association; and
 - (v) within the same time, give any other Participating Association that fielded a team in the Game to which the Game Dispute relates a copy of the full written report lodged with the League Manager.

17.2 Procedures for Game Disputes

- (a) If a Participating Association does any of the things provided in paragraph 17.1(b), then BQ may invoice the Participating Association for:
 - (i) \$220 if the Participating Association fielded a team in the Game to which the Game Dispute relates; or
 - (ii) \$550 if the Participating Association did not field a team in the Game to which the Game Dispute relates.

Rule 3.4 applies in relation to these invoices with any necessary modifications.
- (b) The League Manager must make a decision on the Game Dispute if:
 - (i) a Participating Association complies with paragraph 17.1(b)(i), (ii) and (iv); and
 - (ii) the League Manager is satisfied that the Participating Association has complied with paragraph 17.1(b)(iii) and (v) or has no reason to believe that the Participating Association has not done so.
- (c) If the League Manager must or may make a decision on the Game Dispute, the League Manager must consult with the CEO and may:
 - (i) make any enquiries about the Game Dispute that the League Manager thinks fit; and

- (ii) decide to uphold or dismiss the Game Dispute; and
- (iii) if deciding to uphold the Game Dispute, decide on a remedy for the subject matter of the Game Dispute.

18 Communications

18.1 Communicating with the League Manager, BQ and the CEO

- (b) The League Manager or BQ may add something to, delete something from or change something in the above table by sending a communication to Participating Associations generally.

18.2 *Communicating with Participating Associations*

- (a) This rule applies if the League Manager, BQ, the CEO or a QBL Tribunal is authorised or required by these rules to give a document or notification to a Participating Association or to advise a Participating Association of something.
- (b) The document, notification or advice may be given by email to an email address:
- (i) in any Nomination Form or Affiliation Agreement for the Participating Association; or
 - (ii) from which emails from or on behalf of the Participating Association are frequently sent to BQ or an employee of BQ; or

- (ii) an address given for the Participating Association in a Nomination Form or Affiliation Agreement; or

18.3 Communicating with other people

- (a) This rule applies if the League Manager, BQ, the CEO or a QBL Tribunal is authorised or required by these rules to give a document or notification to a person other than a Participating Association or to advise that person of something.
- (b) If the person is someone under the control of a Participating Association (see rule 3.7) then the document, notification or advice may be given to the Participating Association by a method provided in rule 18.3. The Participating Association must then pass the document, notification or advice on to the person without delay.
- (c) The document, notification or advice may be given to the person by email, fax, hand-delivery or post using any contact details for the person:
 - (i) on the registration database kept by BQ (unless BQ knows the contact details are not current); or
 - (ii) on another database kept by BQ (unless BQ knows the contact details are not current); or
 - (iii) that the person sending the document, notification or advice reasonably believes are current contact details for the person.

18.4 Authentication of certain communications

If the League Manager, BQ, the CEO or a QBL Tribunal receives a communication authorised or required by these rules which appears to have been sent by a particular person, they may treat it as authentic unless:

- (a) they know it is not authentic; or
- (b) a reasonable person in their position would believe, on the basis of other information about the purported sender that the recipient knows about, that the communication is not authentic.

This applies not only to written communications, but also to communications by telephone and in person. It means, for example, that a QBL Tribunal is usually entitled to assume that a person

appearing at a telephone or formal hearing is who they say they are.

18.5 When certain communications are taken to have been received

- (a) A communication under these rules by email is taken to have been delivered 3 hours after it is sent unless it bounces or the sender has some other reason to believe that the email was not delivered. This is the case regardless of whether the email is received or read by the intended recipient within that time or at all. In reckoning the 3 hours, time between 7pm and 7am is not counted.
- (b) A communication under these rules by fax is taken to have been delivered 3 hours after it is sent if the machine or software from which it is sent produces or generates a report saying the correct number of pages was successfully transmitted. This is the case regardless of whether the fax is received, printed or read by the intended recipient within that time or at all. In reckoning the 3 hours, time between 7pm and 7am is not counted.
- (c) A communication under these rules by post is taken to have been delivered at 12pm on the day when it would ordinarily be delivered in the post based on the place of sending and place of delivery, if it sent by any form of prepaid post, unless the sender is aware that it has not been delivered. This is the case regardless of whether or when the communication is actually delivered or received by the intended recipient.

19 Challenging decisions under these rules

- (a) A decision under these rules cannot be challenged except strictly as allowed by these rules and strictly in accordance with the provisions of these rules allowing for it.
- (b) Otherwise, a person who is bound by these rules must not challenge or seek to challenge a decision under these rules unless and to the extent that:
 - (i) a by-law, rule or regulation of BA which is binding on BQ provides for a process of appeal or review by which the person may challenge the decision; and
 - (ii) under that or another by-law, rule or regulation of BA which is binding on BQ, it is impermissible for the person's right to challenge the decision to be negated.
- (c) For the purpose of this rule, a reference to a decision under these rules means a decision under these rules of BQ, the CEO, the Board of BQ or a QBL Tribunal and includes:
 - (i) the exercise or non-exercise of a discretion; and
 - (ii) the exercise or non-exercise of a power, right or obligation.

- (d) For the purposes of this rule, a reference to challenging a decision includes:
- (i) questioning the decision or seeking to have it overturned, quashed or changed in any judicial body, administrative tribunal, sporting tribunal or other forum; and
 - (ii) appealing against the decision.
